

THE SOUTH CAROLINA AUTOMOBILE
DEALERS ASSOCIATION PRESENTS

Tuesday, August 13
Greenville

Wednesday, August 14
Columbia

Thursday, August 15
Charleston

Wednesday, August 21
Myrtle Beach

Agenda

- Over view of current EVR status
- New Quality Assurance Program
- Document Scanning & Uploading
- Timeline
- DMV Updates
- Q & A

EVR Today

- 3 service providers
- Only title transactions are allowed
- Documents must be mailed to Blythewood for review prior to approval and title issuance
- Suspense issues happen frequently
- Can be delays in lienholders or dealers receiving titles in a timely manner

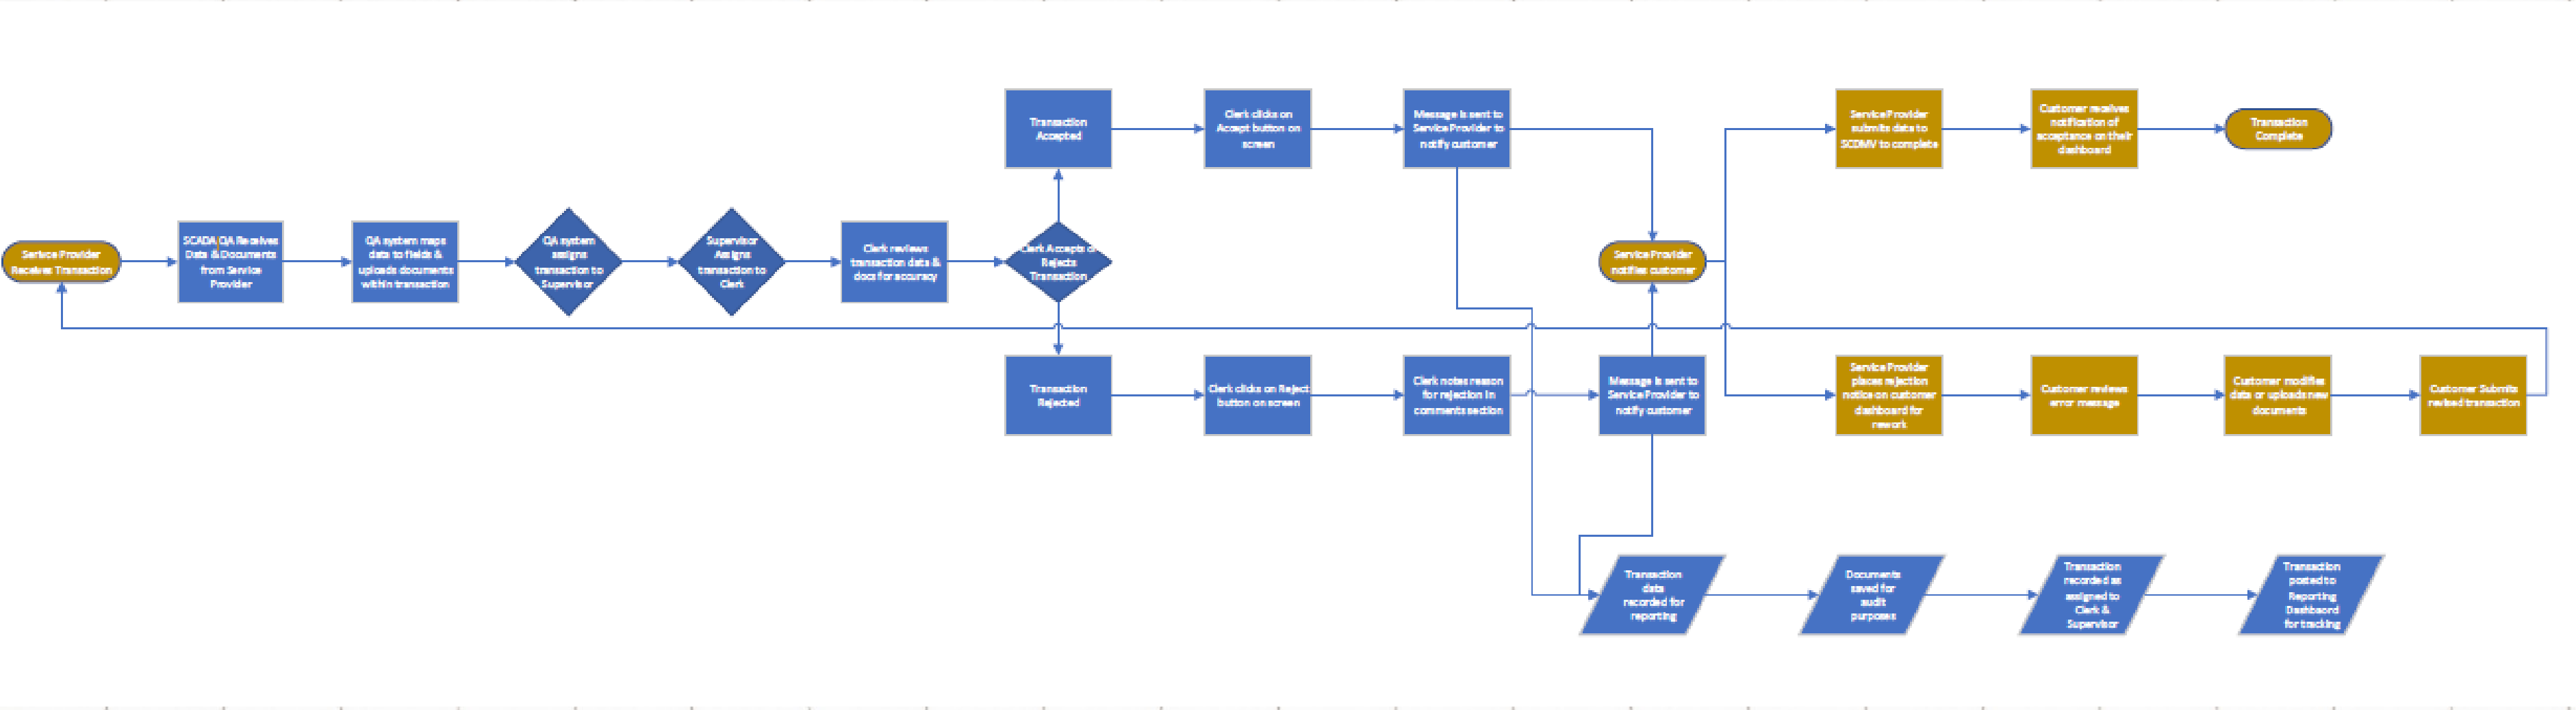

QA Program Over view

- New process to ensure accuracy of titling data to the DMV
- Data and Documents will be reviewed prior to the DMV receiving the final transaction data
- Benefits:
 - Accurate title issuance the first time
 - Faster title issuance and lien placement
 - Allows for expanding transaction types in EVR

QA Program

QA Program

- SCDS will review the transactions for the following:
 - Accuracy of electronic data vs paper work
 - Signatures on documents
 - Correct forms are submitted for the transaction type
 - Documents are clearly scanned

QA Program

- Transactions will be Approved or Rejected based upon the review
- The following are reasons for rejection:
 - Data Mismatch
 - Data missing on documents
 - Documents Missing
 - Incorrect Documents
 - Signature(s) Missing or Incorrect
 - Poor Scan Quality

QA Program
